## **NEWS FROM RANCHO SANTA FE TECHNOLOGY**

### **RANCHO SANTA FE TECHNOLOGY RECIEVES MINORITY SUPPLIER DIVERSITY AWARD FROM THE GREATER SAN DIEGO BUSINESS DEVELOPMENT COUNCIL**

The Greater San Diego Business Development Council recently awarded its Supplier of the Year Award (Class III) to **Rancho Santa Fe Technology, Inc.** at their recent awards ceremony held at the Spreckels Theater. The award recognizes “the Minority Business Enterprises that have successfully demonstrated an ability to grow capacity and increase value to the supply chain while contributing to the development of their community.”

Each year the Greater San Diego Business Development Council celebrates and honors the achievements of companies and individuals that have made significant contributions in advancing supplier diversity in San Diego.

#### **About The Greater San Diego Business Development Council**

The Greater San Diego Business Development Council (GSDBDC), established in 1999, is a nonprofit organization whose objective is to bring corporations and minority business enterprises (MBEs) together for the economic benefit of both. The GSDBDC represents the regional corporate outreach to MBEs in the greater San Diego region. It is their purpose to facilitate business opportunities and market share growth for minority business enterprises through the interaction of corporate members and certified suppliers.
